Hospitality, Gaming & Commercial

Encore Upholstery & Design provides upholstery and furniture restoration services specifically tailored to meet the needs of Las Vegas' hospitality, gaming and commercial markets. We work closely with our clients, as well as interior designers, architects and design professionals, to ensure that commercial projects are completed on time and to exact specifications.

All work is done in-house by our teams of experienced craftsmen in our state-of-the-art, 16,000 sq. ft. Las Vegas facility, allowing us to maintain the highest levels of quality control and the ability to consistently meet strict deadlines. We offer flexible and reliable production schedules to minimize downtime and disruptions during renovations.

Encore offers a wide range of re-upholstery and furniture refinishing services with unparalleled options to transform any commercial setting you can imagine. Custom leather, fabric and vinyl materials and trim finishes are available to match existing or new interior design themes or elements.

Same Day & Priority Service

Encore maintains a huge stock of fabrics and materials in-house with the ability to expedite delivery of custom fabric and material orders, allowing us to offer same day and priority rush services for many re-upholstery and renovation projects.

Custom Furniture Manufacturing

**chairs • sofas • upholstered walls • booths • stools
restaurant & bar seating • outdoor furnishings**

Encore Upholstery & Design specializes in bringing custom interior design ideas to life. From initial concepts and drawings to final production and installation, we partner closely with our clients every step of the way to ensure that the highest quality standards and production deadlines are met.

Custom seating can be constructed in straight, in-corner, curved or U/S/L shape designs and built to your exact specifications. Encore offers a huge array of wood and metal finishes with specialty seating surface options in leather, fabric or vinyl for indoor and outdoor applications. We can also custom match materials to existing or new interior design elements.

Encore provides professional shop drawings for all renovation & custom manufacturing projects.

Encore Construction Specifications

- Frames: Bases & subs are all 3/4" birch lumber using hardwood joints. Backrest frames consist of plywood uprights using hardwood for all horizontal supports and blocking.
- Joints are glued and stapled, screws are used at major stress points.
- Seats are all hardwood and birch lumber with glued blocked joints.
- Springs are 9 gauge utilized spring support.
- The springs are topped with burlap, 5/8" flexolator insulation & 1 1/2" high-density foam for maximum durability and comfort.
- Our standard padding meets CAL-117 specifications.
- Backrests include wood base, lumbar support & hi-density foam padding.

Repair & Restoration Services

re-upholstery • carpentry repair • touch-ups refinishing • powder & epoxy coatings

The Industry Leader In Custom Furniture Upholstery, Restoration & Manufacturing.

Encore Upholstery & Design provides superior custom furniture upholstery, restoration and manufacturing services to the most prominent names in the hospitality, gaming and medical industries throughout Las Vegas and across the country.

Every renovation project represents an opportunity to showcase our skills while building lasting partnerships with our customers and vendors alike. We work closely with clients, interior design professionals, architects and property managers to ensure that needs are met and expectations surpassed.

Our network of suppliers allows Encore to offer not only virtually limitless furniture restoration options, but our clients also benefit from the enormous wealth of knowledge and experience that is made available to us during the planning & execution of every project we undertake.

Encore operates a state-of-the-art, high-capacity 16,000 sq. ft. facility staffed with highly skilled craftsmen selected for their practical experience and demonstrable expertise. All services are performed in-house allowing us to strictly control quality and production schedules. Pick-up, delivery and even installation and removal services are provided by our own crews.

Encore offers competitive pricing, outstanding customer service and reliable production schedules with timely delivery services, all with industry standard commercial warranties. We welcome projects of all sizes. From simple repairs and touch-ups to complete remodels or 10,000 piece restoration projects, we welcome the opportunity to serve your needs.

Feel free to give us a call for more information or to schedule a tour of our facility. We look forward to working with you on your next restoration or renovation project.
